*MD refers to a member from a medical discipline or, if the clinical trial is in respect of a drug to be used for dental purposes only, is from a medical or dental discipline; NNHP refers to a member who is knowledgeable in complementary or alternative health care

***Affiliation refers to the member or the immediate family of the member being employed by or under contract with McMaster University, Hamilton Health Sciences Corporation, St. Joseph's Healthcare Hamilton/The Research Institute of St. Joe's Hamilton, and/or Niagara Health.*

The Hamilton Integrated Research Ethics Board “has a majority of members who are Canadian citizens or permanent residents under the *Immigration and Refugee Protection Act*” and “is composed of both men and women” as required by applicable regulations under the *Food and Drugs Act* of Canada. HiREB supports equity and diversity and does not limit membership to those that identify as men or women.

HiREB operates in compliance with, and is constituted in accordance with, the requirements of the Tri--Council Policy Statement: Ethical Conduct for Research Involving Humans (TCPS 2); the International Conference on Harmonisation Good Clinical Practice Consolidated Guideline (ICH GCP); Part C, Division 5 of the Food and Drug Regulations; Part 4 of the Natural Health Products Regulations; Part 3 of the Medical Devices Regulations; or with the definition in the *Clinical Trials for Medical Devices and Drugs Relating to COVID-19 Regulations* and the provisions of the Ontario Personal Health Information Protection Act (PHIPA 2004) and its applicable regulations.
